

DEBJITA MONDAL

STUDENT, YEAR 3

I am currently pursuing Bachelor of Technology in Computer Science. I have plans of working dedicatedly in this sphere due to my devoted passion for this subject. Though I do not have much experience, I am extremely eager to learn and reflect on my skills and knowledge. This opportunity would not only enhance my knowledge but it would be of utmost importance to me to contribute to the corporate company I am working for. I have studied various topics under this subject sometimes on my own and sometimes from online platforms like Udemy and Coursera while some of the topics have been officially taught at my institution.

ONLINE COURSES:

- PYTHON
- SOFT SKILLS
- WEB DEVELOPMENT
